Men attending the scientific moving pleture. The Gift of Life at the "L' tonight (Wednesday) will surely be given an ineight into some of the escretathat nature has withheld from all except those who have entered into the study of biological lines.

The picture which consists of four reels, very clearly shows Nature's wonderful processes in bringing about life in its various forms. The story of how life begins in the flowers, fishes, binds and other living things are inclusive in the picture. and other living things are inclused in the picture.

An especially interesting some is that of the history of the fursy little chick. The technician is seen taking eggs from the incurator, and as he shows a close view of the chick in its various stages of development, a wonderful story of Nature is revealed. In like manner many other living forms are reviewed all of ISAAC & JONES Richards Bidg. 91 Main Stree Nature is revealed. In like manner many other living forms are reviewed, all of which have been carefully taken by the producers of the picture, with the prime intent of educating the public as to the wonder and sacredoess involved in life. THE DAVIS.

Off. Off. CINDY!

Of the "different" things which will be seen in Ah. Oh. Cindy! when it is presented here Monday, Feb. I at the Davis theatre under the auspices of the Norwich Girls Community club probably one of the most striking and artistic will be the grand finale to the show—fongs of Testerday and Today. In this particular some there will be a revue of hits that were popular years ago, the revival of which is certain to meet with the approval of the imajority of the people.

Unusual opportunities are furnished to Mise Florine Schofield during this some to display her elecutionary abilities in the role of Le Crier. This individual character is far different from any reis in the usual immedial production and furthe role of Le Crier. This individual character is far different from any relatin the usual musical production and furnishes excellent possibilities.

A decided aid to this scene are the continues and accurary which are to be the nished by the John B. Rogers Producing Co, under which erganization's direction the entertainment is being staged.
